FROM FR. DANIEL

Dear brothers and sisters,
 Greetings from Rome, where I've been working these days. Today, especially, I remember all of you at Mass, and look forward to seeing you soon. In the previous Sunday the Lord invited us to reflect on how we listen to his teaching and so, on the importance of not only believing but on the need to love. Today we hear a natural application of love in the call to share the good news.

St. Paul is emphatic: *woe to me if I do not preach the gospel!* This is so because as disciples of Christ we are called to resemble our Lord and, as we see in today's gospel, He worked tirelessly to proclaim the good news. He woke up early, preached and served all day, prayed hard.

In our own different circumstances, we must preach the good news. There are many ways of doing it; what cannot happen is that we never tell anyone of the love of Christ because we think we are too busy already. The Lord has chosen to need us. May we respond to his loving call.

United in prayer,
 Fr. Daniel

HEALTH**

We are partnering with Marisol Health's Baby Shower program for their expectant mothers.

These mothers are in crisis situations and have chosen life.

You can help support this mother by scanning the QR code or visiting our website at: www.holynamedenver.org/babyregistry

OUR FEBRUARY MOTHER'S STORY

Jodie* came to Marisol Health for a free pregnancy test. She was uncertain about what life would mean for her and her boyfriend if she was pregnant. After discovering a positive pregnancy test, Jodie had an ultrasound and visit with our team, sharing "my boyfriend drinks a lot. I don't want to leave him, but I'm so depressed and anxious about our relationship. I just wish he'd get better." Jodie began to meet with the Marisol Health Family Development Specialist who referred her to a Marisol Health licensed therapist to begin the healing journey of processing her emotions, reminding her of her dignity and self worth, and helping her to have healthy communication and relationship patterns. Jodie continued to be seen at Marisol for her medical appointments while working towards her goals. She reported, "I want to be the best mom I can be for my toddler and this new baby. It feels like hard work, but I'm grateful I'm not alone." Jodie is due in March 2024 and, with the support of our team, is moving towards becoming who she knows she really is.

ST. VINCENT DE PAUL SOCIETY AT HOLY NAME

Serving our Neighbors in Need

We want to help you get to know more about our SVDP conference and their efforts by featuring a story from one of our neighbors in need each month.

A SVDP Story: *Belinda's Story*

Belinda's story began in Texas, a broken marriage but children grown and on their own. She had relatives in Kansas, and worked there for a while before coming to Denver. She was living at the women's shelter run by Catholic Charities on 48th Street when she found a job in southwest Denver. She paid the weekly rate at a residential motel while saving up for a deposit for an apartment. Then she came down with covid and could not return to work until she tested negative – unfortunately (and we hear this too often) the employer could not wait. She was replaced and now, without a job and unable to pay the weekly room rate, it would be back to the shelter. She called our St Vincent de Paul conference and we stepped in to cover 2 weeks in the hope that she might find a new job quickly. She did – but we couldn't cover the gap until the first paycheck. It was bittersweet to know she was possibly returning, temporarily, to the shelter, but she was grateful to have had a decent room while she did the job search. We sent her off with several pairs of scrubs from ARC – and hopes that she was "dressed for success".
