FROM FR. DANIEL

Dear brothers and sisters,

The Lord invites us to go deep, always deeper. Our lifestyle in society is often marked by a practical approach and the desire for productivity. In this context, it is common to do things quickly without always thinking deeply enough about what we do. Because of that, we want to do things, even good things, and judge people and situations, but not always paying enough attention to what's behind those actions.

The Lord tells us that good fruits come from good trees, that the store of goodness from a heart produces good things, and that we ought to remove the wooden beam from our eyes before we remove the splinter in someone else's eyes. Therefore, it is important to go deep, think about the intentions of our heart, and always try to cultivate the good tree of a good life, so that the Lord can bring good and lasting fruits out of our always limited efforts.

United in prayer,

Fr. Daniel

A Culture of Encounter at Holy Name

March Challenge: Pray for a Fellow Parishioner

“A Christian fellowship lives and exists by the intercession of its members for one another, or it collapses. I can no longer condemn or hate a brother for whom I pray, no matter how much trouble he causes me”

-Dietrich Bonhoeffer

Each of us has areas of our life for which we need prayer and each of us is able to pray for others.

We build a culture of encounter when we open our hearts to hear the needs of our fellow parishioners, share our hearts by asking for prayer, and give our hearts in offering prayers to God for each other.

Suggestions

1. Ask a fellow parishioner how you can pray for them.
2. Offer a rosary for an intention you hear a fellow parishioner say in conversation.
3. Text a fellow parishioner to ask for prayers when you feel you need them throughout the week.

IN MEMORY OF SHIRLEY SPAHN JULY 25, 1931 - JAN 3, 2025

A Funeral Mass will be celebrated Friday, March 7, at 11 a.m. for Shirley Ann Spahn, who died on the Feast of the Holy Name of Jesus, January 3, 2025, in her S. Green Court home in Sheridan where she had lived since 1958, attending St.

Patrick's Church and then Holy Name for 66 years.

Born on July 25, 1931, the youngest child of John and Margaret Schmitz, Shirley and her family worshiped and attended grammar school at St. Elizabeth Church in Denver. After graduating from the Redemptorists' St. Joseph's High School in 1949, she went on to received a nursing degree from Loretto Heights College, working in the dining hall to pay her tuition.

She married Eugene Spahn in a double wedding ceremony with her brother Ed and his bride Eleanor on January 18, 1953, in St. Dominic's Church. After the birth of their first child, they moved to California, where the second child was born, moving back to Denver to support their aging parents. Shirley was a nurse at Beverly Manor and the nursing director at Parkview Manor nursing home and Beth Israel Hospital. The couple had eight more children.

In her free time, Shirley applied herself to transforming her modest suburban plot into a truly eye-popping flower garden. An avid reader; Shirley's interest revolved around theology and Scripture. Shirley's faith was undeniably the most important element of her life. She adorned her house from floor to ceiling with images of her family and the Holy Family. It was nothing short of a shrine with a special devotion (inherited from her mother) to the Sacred Heart of Jesus.

In her eternal life in Christ, she joins her husband and sons Philip and Martin. Her surviving children are: Mary Rose (Johnson), Katherine (Wood), Gregory, Joseph, Thomas, Rev. Father James (pastor of St. John Paul II parish, Thornton); Thanh (Nguyen), Jeanette (Bowles), and Jesuit Father Stephen of Baltimore. She had 12 grandchildren and two great-grandchildren.

CHARITABLE OPPORTUNITIES

BABY SHOWER MINISTRY

*Celebrating the Dignity
of Women Choosing Life*

We are partnering with Marisol Health's Baby Shower program for their expectant mothers. These mothers are in crisis situations and have chosen life.

FEBRUARY BABY SHOWER RECAP

Holy Name provided the following gifts: Pack 'n Play, baby carrier, play mat, bottles, diaper bag, swaddle blankets, nursing pillow, bottle warmer, nursing bras, lanolin cream, diaper wipe warmer, and organizational cart.

OUR MARCH MOTHER'S STORY

Abigail* & her husband Isaac* are embracing the difficulty and joy of an unplanned pregnancy. This family has endured some difficult times this past year and while they are excited to welcome another baby their circumstances are very complicated. The couple has two other children, their youngest just turned one year old. Abigail's family is excited to know that they are expecting a baby girl who will be a wonderful addition to their family full of girls.

While the news of the pregnancy was initially full of many emotions, this family is leaning on each other and celebrating the life of their unborn baby. It is especially a challenging time since Isaac lost his job last November and the family has been sharing space with family members. Additionally, there have been unexpected health changes for their young daughter which has added to family hardships. Please join us in showering this family with love and support through donating the items from the couple's and offering prayers, as they prepare to welcome their precious little one.

**Name changed for anonymity*

You can help support this mother by purchasing an item from her baby registry at: holynamedenver.org/babyregistry or by signing up to give monthly so that the parish can purchase larger items on her registry on your behalf by visiting: membership.faithdirect.net/session

Serving our Neighbors in Need

We want to help you get to know more about our SVDP conference and their efforts by featuring a story from one of our neighbors in need each month.

We helped over 30 families during January, (double Oct 2023). Clearly, as these Receipt/Expense numbers show, even with the generous gifts we receive from the parish as well as from other SVdP entities, we cannot meet the needs of so many families. To address this situation, we decided to align our conference boundaries with the parish boundaries. Therefore, we will no longer provide assistance north of US 285. We expect this to reduce our work by 40% - and bring both our financial and human resources into line with what we can manage. As always, we thank you for the generosity that makes this work possible!

A SVDP Story: Delores's Story

Delores is a 43-year-old single mother of 4 children who asked us for assistance with her past-due rent of approximately \$3,300. She has a housing voucher that pays \$1,900 and she pays the balance of \$841. She clears \$1500/mo working part-time for the school district and receives \$585 in SNAP benefits. Her rent to income is approximately 40% - should be manageable. We met with her to go over her budget and learn how she had fallen behind - and how she would be able to go forward.

Clearly, \$585 in SNAP benefits does not pay the groceries for a family of 5! Further, she had no income when school was out of session in the summer, and because her 16-year-old sustained a head injury in August, she lost time from work when the school year began. She was unable to keep up with her \$841 portion of the rent and she was now 4 months behind. She has recently taken on a part-time job and clears approximately \$340/mo. The private party owning the house wants to see a plan for paying down the \$3,300 past due amount; he would prefer not to proceed with an eviction. With a \$500 gift from SVdP at St Thomas More and \$300 from the Ozanam Housing Fund, we were able to make a \$1,500 dent in the debt and put the \$1,800 balance in reach of a reasonable payment plan acceptable to the owner.
