FROM FR. DANIEL

Dear brothers and sisters,

We are now very close to the beginning of Holy Week. The Church invites us to perceive the imminent events by veiling our crosses and statues, so that we can break down any routine and indifference, and appreciate what the Lord will do for us again.

Why do we have all these celebrations? To adore the Lord for his sacrifice and allow his salvation to become more effective in us. In today's Gospel Jesus did not let the hardness of heart of the Scribes and Pharisees to condemn to death a woman who had committed serious sin. The Lord did not ignore the gravity of her action, but wanted to rescue her not only from those who wanted to kill her, but from her own sin. His mercy and his justice saved a person.

His mercy and justice will come together again at the Cross. May we be grateful and receptive to this infinite gift.

With my prayers,

Fr. Daniel

A Culture of Encounter at Holy Name

April Challenge: Serve your Parish Community this Easter

"We ought out of charity to love those who are more closely united to us more, both because our love for them is more intense, and because there are more reasons for loving them."

-St. Thomas Aquinas

We build a culture of encounter within our parish when we give of ourselves alongside each other and for the sake of each other.

We form bonds of love amongst ourselves as we work and bless each other by the products of our work.

Suggestions

1. Sign up to volunteer at the Easter Vigil celebration.
2. Sign up to prepare food at home for the Easter Vigil celebration.
3. Commit to a ministry or service opportunity at the parish. Visit holynamedenver.org/ministry-directory/ for opportunities.

CHARITABLE OPPORTUNITIES

ST. VINCENT DE PAUL SOCIETY AT HOLY NAME

Serving our Neighbors in Need

We want to help you get to know more about our SVDP conference and their efforts by featuring a story from one of our neighbors in need each month.

A SVDP Story: *Alvaro's Story*

Alvaro had his own landscaping business but in his mid-40s he began to have heart problems and could no longer do much heavy work; he lost his business a couple years ago – and then lost his apartment. He's been homeless for two years. He is now living in a trailer in Golden owned by relatives – no heat and no plumbing. In January he began working at an apartment complex in our parish boundaries; he commutes by light rail and bus. His manager suggested he ask us for help.

He could have a 30% employee discount on the rent at the apartment complex – but his application was rejected because of the unpaid rent from two years ago, which has been turned over to a collection agency. The debt was approximately \$1500, but interest and fees have the total now at \$2300. Worse – we learned when we met with him that beginning with his March 28 paycheck, his biweekly wages will be garnished by \$400. The total payments garnished over 12 months will be more than double the amount owed now.

Thanks to generous gifts from the SVdP at St Mary's and Good Shepherd, we are going to pay off the remaining \$1900 owed, which will put an end to the garnishment. Once the credit report reflects the payment, Alvaro can re-apply for an apartment.

Tenebrae means *shadows* or *darkness* in Latin, and this liturgy, which starts in the darkness of the early morning, emphasizes the darkness that comes over the earth upon Christ's death. With chanted psalms and lamentations, this beautiful and ancient tradition is a prayerful way to begin your Holy Saturday. It will last about one hour.
