FROM FR. DANIEL

Dear brothers and sisters,

The Lord leads us today to a logical conclusion — his invitation to love God with our whole heart and the neighbor as ourselves. First, we must honor God as our only Father and Master, and second, we must serve the others with humility.

In what Jesus says about the Pharisees we are reminded of the main teaching about charity: it is love for the love of God. The Pharisees were really good at observing the many commands of the Law, and teaching correctly the doctrine of God, but most of them did not do it out of love for God, expecting the honors and benefits of their position. While the performance of those actions was correct, there was no merit because they were not done for the love of God. And so, for the love of God we must remind ourselves that we are simple servants who have received everything that is good and try to serve others in return. May this be our desire and commitment.

With my prayers,
Fr. Daniel

COMMUNITY UPDATES

HAPPY 95TH BIRTHDAY TO NORBERT BRADY!

Norbert Brady, a long time Holy Name parishioner is turning 95 on November 7th. Happy Birthday Norbert! May the Lord bless you abundantly this year.

KNIGHTS OF COLUMBUS - MANY THANKS!

Our Knights of Columbus Council was very busy in the month of October. In addition to hosting their annual Spaghetti Dinner, they helped to pull off several events at our parish and in our community: Holy Name's Annual Oktoberfest, Sheridan Celebrates, and the Freedom Memorial Mass & BBQ, just to name a few. At Sheridan Celebrates, a car was featured in the parade to celebrate our late Knight, Mike Cordova and the Cordova family. We also want to give a shout out to Grand Knight, Joe Delmonico, who has been working around the clock to make these events happen and our lead chef at all of these events, Bill Kastler.

If you'd like to get involved with these efforts reach out to the parish office and we'll connect you with opportunities to serve alongside these men.

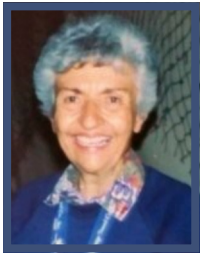

< The Knights made 1000 burritos for Holy Name and Sheridan Celebrates! If you've ever wondered what 1,000 breakfast burritos looks like, now you know. Thank you to the Knights and the ladies who made and wrapped all of these burritos!

< The Knights made the Oktoberfest meal that served over 600 people who attended the event!

Thank You!

HOLY NAME ST. VINCENT DE PAUL SOCIETY SERVING OUR NEIGHBORS IN NEED

The St. Vincent de Paul Society helps our neighbors who are facing immediate challenges. We want to help you get to know more about our SVDP conference and their efforts by featuring a story from one of our neighbors in need each month.

A SVDP Story: "Financial Worries"

Fifteen years ago, Maria's daughter abandoned her two young children and went down the dark road of drug abuse. Maria took them in and raised them. When we visited her four years ago, the older one had graduated high school, the younger one was a sophomore, and Maria had just been diagnosed with end-stage renal disease. We heard from a property manager that Maria was having "financial worries," so we paid her a visit. With dialysis for the renal disease and insulin for diabetes, she has managed to see her grandson complete a 2-year college degree ("praise God!"); he is employed and on his own. The granddaughter graduated high school, is employed, lives with grandma, and helps with the rent and groceries. Over the four years since our last visit, Maria's Social Security benefit has increased 16.2%, from \$860 to \$1,000 – but her rent has increased 50.2%, from \$529 to \$795. So yes, there are "financial worries" on the horizon. We helped her out with \$400 toward October rent.

OUR NOVEMBER MOTHER'S STORY

Heather is a teenager who initially found Marisol Health to receive support and care for her unexpected pregnancy. She was a sophomore in high school when she first came through our doors and expressed fear and anxiety for what this pregnancy could mean for her and her boyfriend. For the first few visits, Heather was still undecided about the pregnancy and seriously considering having an abortion, "because this just wasn't supposed to happen this way. It feels really chaotic and confusing to think about having a baby." She shared that she is currently living with her grandparents due to not having a good relationship with her mother and expressed fear that she would get "kicked out if they found out I was pregnant." Through the support of the Marisol Health Family Development Specialist and counseling team as well as the consistent care and attention she received in her medical appointments, Heather eventually shared the news with her family and received support from her aunt and, unexpectedly, her friends and extended family have rallied around both she and her boyfriend and this unborn child! Heather and her boyfriend have decided to continue with the pregnancy and express feeling "nervous but excited to meet this little one in December." Heather consistently states how grateful she is for the support of the Marisol Health staff and community, even sharing "We couldn't have done this without you guys." Her boyfriend has found steady employment, and they are enrolled in Medicaid and have consistent transportation and housing. Heather expresses her gratitude for the support of these material resources and excitement at being able to be a mother for her unborn child.
