Dear friends,

## FROM FR. DANIEL

It is wonderful to have the opportunity to start over again. The first Sunday of Advent inaugurates a new liturgical year and with it, we are invited to lift our souls to God. This is, indeed, the opening invitation of this year, as we hear in the very words of today's Mass: *To you I lift up my soul, o my God.* Our whole lives, and these days Advent in particular, are an effort to intentionally lift up our souls to God.

It is good to start over again this simple effort because we do get distracted and lose direction. And so, we ask the Lord in the first reading, *Why do you let us wander, O LORD, from your ways, and harden our hearts?* But even more we pray as we do in the Psalm, *Lord, make us turn to you.* Advent is a time of conversion, of –literally– turning to God our heart, our desires, our intentions, our hopes. Before inviting us to think about the renewal of the birth of Christ, which so easily warms our hearts, Advent is a time to be attentive because the Lord will come again and we don't know when. The main battle cry of Advent is what we heard in the Gospel: *Be watchful! Be alert!* May we be watchful and alert, so that we can turn more towards Christ who comes, and lift our souls to Him.

In Christ and Mary,  
Fr. Daniel

### HOLY NAME ST. VINCENT DE PAUL SOCIETY

*Serving our Neighbors in Need*

The St. Vincent de Paul Society helps our neighbors who are facing immediate challenges. We want to help you get to know more about our SVDP conference and their efforts by featuring a story from one of our neighbors in need each month.

#### **A SVDP Story: *Falling Behind, Little by Little, Until...***

Ernestine and Bob are living in subsidized housing managed by Colorado Coalition for the Homeless. Both in their 60s, it's not difficult to imagine that they've had a rough time of it over the years. Ernestine was a waitress for 25 years – broke her foot last November, ended up with a couple toes amputated, not yet steady on her feet. She hasn't been able to find work since. She is trying to get SSI, but can't navigate the system; nor have they been successful in applying for food stamps. Bob works in construction, and the loss of one income coincided with a bad winter for construction. They fell behind, a little bit each month, till finally they couldn't pay rent and they got "the notice." Management will work out a payment plan going forward after they pay the past due. We delivered a check for \$1,000. Just as important – we contacted a Community Resource Specialist for Sheridan to get them help with applications for food stamps and SSI benefits.

### BABY SHOWER MINISTRY

*celebrating the dignity  
of women choosing life*

We are partnering with Marisol Health's Baby Shower program for their expectant mothers. There is not a Marisol Baby Registry for December. Marisol is participating in Adopt A Family, and, due to the increased staffing demands this outreach will cost, they are not able to also collect and organize a Baby Shower for one of their mom's this coming month. We look forward to picking this up again in the New Year!

## AROUND THE ARCHDIOCESE

---

*We would love to keep you in the loop with what's happening around the Archdiocese! We get many requests for sharing updates from outside of Holy Name. The first bulletin of each month will be an expanded addition to include these other events. If you would like to promote something in the January expanded bulletin please send all requests to Anna at [bulletin@holynamedenver.org](mailto:bulletin@holynamedenver.org) no later than December 27th.*

#### BOOK RECOMMENDATION FOR EVANGELIZATION

*The Power of Place: Choosing Stability in a Rootless Age* by Daniel Groethe is a recommended read from the Archdiocese Office of Evangelization and Family Life Ministries. A growing need in our modern society is rootedness and investment in community, and this book speaks to the sense of loneliness and discontentment that many feel in our age of non-commitment and wandering. Daniel Groethe is a non-denominational pastor down in Colorado Springs, but a lot of what he speaks to in this book is universally applicable to the Church and largely relies on Catholic figures such as St. Benedict, St. Thomas Merton, and GK Chesterton as well as Sacred Scripture.
