PASTOR'S CORNER

Dear brothers and sisters,

One of the wonderful aspects of our faith is that we follow those who came before us, having the vantage point of 2,000 years of history. In particular, the experience of the first disciples is always a source of inspiration and an occasion to learn.

When we read the Gospels, we can see that they were often confused, and we can appreciate how hard it must have been for them. Today we hear Jesus saying words that might have been difficult to understand. He was announcing his departure and promising an Advocate. What could they have understood by this Advocate? Of course, now we know. The Holy Spirit is the Advocate, the Paraclete whose mission is to teach us everything and remind us of what Jesus has told us.

In a couple of weeks we will close the Easter season with the celebration of Pentecost. May these days be an occasion to be more aware of the mysterious, essential, and silent work of the Holy Spirit in our lives, so that we can be led more fully to the love of the Trinity.

With my prayers,
 Fr. Daniel
