PARISH NEWS

THE HOLY NAME PRO-LIFE COMMITTEE invites you to sign a petition to place on the November 2020 ballot a change in the Colorado Revised Statutes that would prohibit—when the probable gestational age of the fetus is at least 22 weeks. That is when the unborn baby’s life outside the womb is viable. To sign the petition, you must be a registered Colorado elector (voter). Only sign one petition on this issue. Petition circulators will be at the exits of the church (and on Sundays in the St Agnes Center). The petition states that violation of this law would make it a misdemeanor to perform or attempt to perform a prohibited abortion that would be punishable by a fine except when the abortion is immediately required to save the life of the pregnant woman when her life is physically threatened. The petition also states that a woman on whom an abortion is performed may not be charged with a crime in relation to a prohibited abortion.

PASTOR’S CORNER

Dear brothers and sisters,

Today the Church celebrates the solemnity of Jesus Christ, King of the Universe. Every year, as we come to the close of the liturgical year and prepare for the beginning of Advent, we place our eyes on the Universal King who brings his Kingdom of truth and life, of holiness and grace, of justice, love and peace.

How consoling it is to renew our faith in Jesus as our King today, and as the King that will reign in the end. In the midst of so much confusion and instability, within and without the Church, we need to place our hope on Him who will never change: Jesus, who is before all things, in whom all things hold together.

It is true that in many ways our daily experience does not always reflect the Kingdom and sovereignty of Christ. May the joy of today’s celebration become hope for the coming of his Kingdom, and strength for working hard so that Jesus can reign in us, and through us, in the whole world.

United in prayer,
Fr. Daniel
