PASTOR'S CORNER

Dear brothers and sisters,

Today we reflect on faith. The just one, because of his faith, shall live. This does not mean that faith leads to passivity, but that faith will determine how we live, both now and forever. Faith is the certainty upon which we stand, the direction of our work, the foundation of our life. And faith is powerful: if we actually believe, without doubt and hesitation, we can move mountains. And this, rather than cause us to be complacent, moves us to work even harder for our salvation and that of the whole world.

May we listen to the invitation to believe more, and ask for this gift from God.

With my prayers,
 Fr. Daniel
