COMMUNITY SPOTLIGHT

OUR PRIESTS HAVE CARED FOR US. NOW LET US CARE FOR THEM. A special collection will be taken October 12th & 13th Mass to support our retired and infirm priests. Your generous donation allows those who can assist parishes to continue in their ministry in a variety of pastoral settings and allows us to make sure their financial needs are covered. Thank you for supporting our priests.

PASTOR’S CORNER

Dear brothers and sisters,

We heard in the first reading a cry that has been in our heart more than once: *how long, O Lord? I cry for help but you do not listen!* These are words that express our pain as we move along in this life and experience confusion and challenges; as we see bad things happening in the world and in the Church and cannot make sense of them.

However, rather than weakening our faith, these challenges should become an occasion to believe more. Faith should not be seen as the consequence of good ideas and experiences which lead us to conclude that we can trust in God, but as the gift that moves us to trust in God because He is God. These are times to listen, wait, and renew our confidence in Him. And so, we also resonate with other words heard in today’s Mass: *If you today you hear his voice, harden not your hearts; if you have faith the size of a mustard seed...* it is true that at times it is hard to trust, but if we only do trust when things are easy, what kind of faith do we have? In fact, when things are difficult we should see our faith as part of what St. Paul described: *bear your share of hardship for the Gospel with the strength that comes from God.* So let us believe in Christ and in his healing power, more now than ever, so He can bring his peace, move the mountains of indifference and make us better disciples.

With my prayers,

Fr. Daniel
